Placing the yellow dot sticker in the lower left corner of your vehicle's rear window notifies first responders that there is vital medical information in the vehicle's glove box. This information is extremely important when a person is in medical distress and cannot speak to the first responders. Each Yellow Dot envelope contains a personal information sheet and a yellow window decal. There should be one personal information sheet for every person that regularly uses the vehicle. Fill the sheet out with pencil to allow for easy updating whenever medical information changes. Store the information sheets in the yellow envelope and keep in glove compartment of the vehicle.

Notes: We are open Tuesdays and Fridays, noon to 3 PM. The pantry is currently a drive-through, due to COVID-19. The pantry is taking every measure to ensure the safety of patrons, staff and volunteers. The pantry is at 5 Swetts Bridge Road (just off Route 4) in Alfred.

The Pantry offers fresh produce, meat, poultry and dairy items, baked goods, and lots of canned and dry goods. Anyone who needs food is welcome to come to the Pantry. Arrangements can be made for people who may not be able to get to the pantry during our regular hours. Call us at 324-1137, or e-mail us at mikeo@ycspi.org, or connect through our Facebook page.

The Pet Food Pantry distributes pet food and supplies on the first Tuesday and third Friday of every month, from PM to 2 PM - or until we run out of food and supplies. We are in the same building as the Food Pantry, and we are open in conjunction with their human food distribution.
