

## 2009 Annual Report of Gifts

Despite the economic recession SMAA's donors continued their loyal support. Donor giving set records for donor retention, the amount received from individuals and the number of new gifts. Thank you!

- 1,242 donors gave \$559,317.
- While we had an increase of 105 donors from the year before, we had a decrease of 5% in the total amount given. (Nationally donations dropped by 5.7% and gifts to social service organizations dropped by nearly 16% in 2008.)
- Donors designated 58% of their gifts to SMAA programs and special projects. Four hundred donors contributed \$153,363 to Meals on Wheels, an 18% drop from the year before due to a decline in foundation and corporate giving.
- Donors designated 42% of their gifts as unrestricted, providing \$233,117 in operating support.
- Seventeen donors gave \$10,000 or more.

Director of Development
