## **H. DETERMINING WHO QUALIFIES**

Qualifying games are responsible for determining qualifiers at their games and for advising the NSGA who has qualified. NSGA qualifying games that permit and encourage participation by out-of-state residents are classified by the NSGA as "open." (Note: This should not be confused with "limited" events.)

Each event allows for a specific number of qualifiers. If out-of-state residents qualify at an "open" qualifying games, they will not take away a qualifying spot from a state resident. "Open" games may qualify the number of state residents specified for each event in addition to the out-of-state qualifiers. The NSGA definition of an athlete's state of residence is that state in which the person resides for at least six months out of the year.

It shall be the responsibility of the state games to determine whether a doubles team made up of one in-state and one out-of-state athlete is considered an in-state or out-of-state team. The state games shall inform competitors of its policy prior to the start of qualifying competition.

Competition must take place to determine qualifiers. If there is only one individual entered in an age group, that athlete must enter and complete the event in order to be given the gold medal and to qualify for the National Senior Games. Athletes should be placed in the age division nearest their own in order to compete. Competition for the athletes in this "closest age division" shall be considered exhibition.

If there is only one team entered in an age division, that team should be given exhibition opportunities with the closest age division. No team shall be qualified without participating in a qualifying game.

The NSGA shall determine whether an athlete has met the qualifying criteria for "limited" sports events.

Athletes may also qualify by meeting or exceeding the Minimum Performance Standards (MPS) in Archery, Golf, Race Walk, Road Race, Swimming and Track & Field at a 2010 qualifying games. In general, the MPS is based on the time, distance or score of the 6th place finisher from the previous National Games, plus or minus 10% (Plus 10% for timed events; minus 10% for distance and scored events). If this formula would relax the MPS, a change will not be made and the previous MPS will continue to be used. An MPS will not be changed by more than 10% per Games. MPS shall decrease or be equal in difficulty as age divisions increase. The NSGA reserves the right to use judgment based on experience when

setting the standard, therefore, a standard may not always match the formula if applied to the results of the most recent Games.

#### **I. NSGA DEFINITION OF A PROFESSIONAL**

Professional athletes shall not be eligible to compete in the National Senior Games in the sport in which they are a professional until 20 years after the date they last competed as a professional. They may compete in other sports in which they have not competed professionally.

A professional is someone who competes in a sport for money as a primary source of personal revenue. People who compete in a sport in which minor amounts of money are given as prizes are not deemed professionals. Individuals whose primary activity is teaching a sport but who occasionally play for a minor amount of money are also not deemed professionals.

The NSGA shall have the final authority to determine who is deemed professional for the purpose of competing in NSGA events. The NSGA reserves the right to determine professional status based on established NGB standards and professional competition history.

#### **J. UNIFORMS AT THE NATIONAL SENIOR GAMES**

**PARTICIPANTS:** All athletes must wear athletic-type clothing and shoes that are usual and customary for the sport in which they are competing. Street-type clothing and shoes that are inappropriate may cause disqualification. Competition Managers have been given authorization by the NSGA to make this determination.

**TEAM UNIFORMS:** Team clothing (shirts, pants, shorts) must be of like design and color. Jerseys that are numbered on the front and back are highly recommended. Refer to each sport for specific details.

Uniforms shall be free of inappropriate symbols or wording.

All protests must be written and submitted to the Competition Manager within 30 minutes of the conclusion of the game, match, heat, or event under protest. The Competition Manager will evaluate the protest and render a decision. If the Competition Manager's response to a protest is such that a further hearing is desired, a hearing may be requested with the NSGA Director of National Games. This request must be made to the Competition Manager or NSGA Director of National Games within 30 minutes of the initial protest denial. All decisions by the NSGA Director of National Games are final and not subject to further appeal.

Athletes may compete in more than one team sport but may only be a player on one team roster per team sport. For example, an athlete may be on one basketball and one softball team but not two basketball teams.

The Local Organizing Committee (LOC) and the NSGA may place a cap on the total number of entries for any and/or all sports and/or events in the best interest of games management. At the time this rulebook was printed, the necessary caps had not been **determined**. Therefore, these rules will serve as a guideline for both the LOC and the NSGA. However, additional modifications may be made in order to meet the necessary caps. Member organizations will be notified any time a cap or modification is necessary.

The NSGA and the LOC will not accommodate individual scheduling requests.

#### **M. REQUIRED CREDENTIALS**

Any player unable to provide the required credentials on the playing field shall be declared ineligible to compete until he/she can produce them. A manager may request verification of a player's eligibility. Should a player play and **be unable to provide the required credentials he/she or his/her team will forfeit all games in which the player participated. A valid, government issued photo identification card, such as a driver's license shall be the only age and residency proof accepted.**

For team sports, all non-playing coaches, non-playing captains and non-playing bench personnel must be credentialed for access to the field of play.

Medals and ribbons will only be issued to properly credentialed personnel.

The NSGA reserves the right to revoke any credential at any time.

#### **N. SEEDING**

All seeding shall be random except as follows.

1. Track and swimming heats will be seeded in accordance with standard national governing body procedures.
2. Results of past National Senior Games will be used whenever possible.

#### **O. NATIONAL GOVERNING BODY RULES**

All sports/events shall be governed by the rules of the national governing body (NGB) for that sport. The NSGA has modified some of these rules in the best interest of the participants. All rules shall apply as stated in the NGB and NSGA rulebooks. NGB rulebooks in effect **the opening day of the National Games**, shall govern the 2011 Summer National Senior Games, unless otherwise noted.

In case of conflict between NGB and NSGA rules, NSGA rules shall govern.

**P. HOW TO SUGGEST A RULE CHANGE FOR SUBSEQUENT GAMES**

Suggestions for rules changes may be made in writing to the NSGA Director of National Games. NSGA rules are reviewed and approved by the NSGA National Games Committee and Board of Directors and are normally published in February of qualifying years.

**Q. HOW TO SUGGEST THAT A NEW SPORT BE ADDED TO THE NATIONAL SENIOR GAMES**

**R. DEFAULT DURING COMPETITION**

Athletes or teams that forfeit during pool play rounds shall not be permitted to advance to the championship or consolation brackets except where such a forfeit is the result of a verified medical reason, or a good-faith effort was made to compete. Verification by a member of the Games' medical staff of an athlete's injury and capability to continue must be submitted to and subsequently approved by the Competition Manager and the NSGA prior to the athlete being permitted to continue. A good-faith effort to compete will be determined by the Competition Manager and the NSGA.

Athletes or teams that forfeit during championship or consolation play shall not be eligible for awards except where such forfeit is the result of a verified medical condition, or a good-faith effort was made to compete, and does not result in a Did Not Finish under NSGA or NGB rules. Their award spot will be left open and subsequent places will not be moved up. Verification by a member of the Games' medical staff of the athlete's injury must be provided to and subsequently approved by the Competition Manager and NSGA prior to receipt of any awards. 2. Commitment line: A 6 foot line drawn perpendicular to the 3rd base line, beginning at the base line and extending into foul territory. This line is located 20 feet from point of home plate, measured along the 3rd base line. Once a runner's foot touches the ground on or past the commitment line, the runner may not return to third base; the runner must continue toward the scoring plate. Violations will result in an out.
3. Scoring plate: A scoring plate shall be placed 8 feet from the back tip of home plate on an extended line from first base. A line shall be drawn from third base to the scoring plate. The scoring plate is for use by the offensive player only.
4. All plays at the plate shall be force plays. A defender shall record an out at the plate by having possession of the ball and tagging home plate prior to the runner touching the scoring plate. The first ball hit over the fence will count as a home run. Subsequent balls hit over the fence by the same team will count as singles until the opposing team has hit a ball over the fence (homerun). Base runners may only advance one base per single over the fence. This rule shall continue throughout the entire game.
  15. Games against a higher rated opponent: This rule applies only to the men's skill categories.   16. Time limit: The length of a game will be seven innings or one hour and fifteen minutes. After one hour the umpire shall announce that teams will finish the current inning and play one more. This last inning shall be played with unlimited runs allowed in accordance with Rule 12. Tie games after seven innings or at the end of regulation time will continue until one team is ahead after the completion of any subsequent inning using the International tie-breaker rule. **There will be no time limit for championship / medal games.**
  17. Women age divisions 65+, 70+, 75+, 80+ can run through 2<sup>nd</sup> and 3<sup>rd</sup> base without the possibility of being tagged out unless an attempt is made or a turn toward the next base is indicated.

A courtesy runner may not be replaced by another courtesy runner except for injury causing removal of the original courtesy runner permanently from the game. A courtesy runner on base when it is his/her turn at bat will be declared out as the runner. Another courtesy runner may not be used to circumvent this rule.
  19. Sliding or diving: A player may slide or dive into any base and when returning to any base. Runners shall be called out for contact with a defensive player if, in the umpire's judgment, the contact was deliberate or the runner could reasonably have been expected to minimize or avoid contact under the circumstances and failed to do so.

20. Runner hit by fair ball: A runner is not out when he/she is hit with a fair, untouched, batted ball that has passed an infielder, excluding the pitcher, and, in the judgment of the umpire, no other infielder had a chance to make an out.
21. Team clothing must be of like design and color. Jerseys must have a number on the back.
22. The men's divisions will play 12-inch slow pitch (.44 cor and .375 compression). The women's divisions will play 11-inch slow pitch (.47 cor and .500 compression).

  - h) General: Any swimmer who uses improper methods in order to obtain an advantage over his/her competition will be disqualified from that event.

### MINIMUMS ARE BASED ON PREVIOUS NSGA RESULTS

\*Original calculation was greater than 10% increase permitted. New MPS is exactly 10% greater than 2009 MPS.

\*\*Original MPS and/or original calculations were more difficult than a younger age group. New MPS is equal to the MPS of the younger age group.

\*\*\*This is not a change, but a correction to the rulebook.
