

Maine SAVVY CAREGIVER Training Schedule

(update October, 2011)

Maine's SAVVY CAREGIVER Training is sponsored by the Office of Elder Services, Department of Health and Human Services and funded by the Administration on Aging. The training provides family caregivers of people with dementia the knowledge, skills and attitude essential for successful caregiving. Participation in the 12-hour training that is provided in 6 sessions includes participation in a research project to evaluate the effectiveness of this program. Caregivers are asked to complete surveys.

Some trainings below are still being arranged, but they are listed so that caregivers know if a training is being planned in their area. For more information, call the contact person providing the training or Jan Halloran at (207) 287-9233 - Jan.Halloran@maine.gov.
